

## Share your love with a Humane Society dog or cat this Valentine's Day!

Tired of the same old flowers and candy for your sweetie for Valentine's Day?!?!? We've got the solution for you! Sponsor one of our adoptable pets for Valentine's Day and get a personalized Valentine's card from one of our Valentine's stars.

Meet our Valentine's stars...

**Sprinkles** is a saucy tuxedo gal who wants nothing more than to be yours for Valentine's Day. She is a 4 year old, spayed female who was abandoned here at HSEC back in 2007. Her favorite things are getting brushed, cardboard scratchers, and chin rubs. She likes being rubbed so much she will rub against anything she can find.

**Nuala** is a happy go lucky gal with a big grin and a soft spot for Ranger. She is a 1½ year old, spayed female, American Staffordshire Bull Terrier mix who will do anything for a toy. Every Wednesday here at the Humane Society is toy day; therefore it is Nuala's favorite day! She prefers the ones with stuffing because she loves throwing the stuffing clumps up in the air as she pulls them out, but she will also be just as happy with any balls that squeak.

**Ranger** is a dashing fella with personality plus. He is a young neutered male husky mix who loves everyone he meets. Ranger is a smart, well behaved boy who loves playing with his girlfriend, Nuala, and taking long walks with the volunteers.

Sponsor an individual – Sprinkles, Nuala or Ranger – for \$25  
or sponsor Nuala and Ranger as a couple (aren't they just  
too cute together?) for \$50.
